

Committee Proposal for Company Membership

1. It is proposed that companies are permitted to have up to 4 members of EPIC Golfing Society. Reason: to allow greater flexibility and encourage a larger membership
2. The restriction is that a maximum of 2 members can play at any one event. Reason: to avoid any possibility of events feeling like a company golf day.
3. The company will be responsible for identifying their members and paying the subscription to the Treasurer. Reason: to make sure no greater burden is placed on the Treasurer and his team.
4. The proposed pricing regime will be
 - a. 1 member £50
 - b. 2 members £75
 - c. 3 members £90
 - d. 4 members £100
