

EPiC Website Update - December 2025

I am delighted to report that we have achieved all we set out to do this time last year. The website will/has on 1st January 2026 automatically issue a request for you to pay your subscription. I have already sent out a link for those who want to ensure access continuity on 1st January, and I'm delighted to say 11 members have already renewed (as at 16-12-25)

Subscription payment allows members to gain access to the "Members Area" where they will be able to,

1. Book any of the posted events for that member and generally up to 3 guests.
2. Review all the EPiC documentation including
 - a. Members contact details
 - b. Records of previous events, previous winners, EPiC rules etc

New members join from two categories

1. Sponsored by a member
2. By attending as a guest one of our events and then be invited to join.

Joining as sponsored or after a guest appearance

- On request from the sponsoring member or having passed the guest criteria, the Secretary sends a secure link which will give the prospective members access to one of two private join pages. There are two join pages "Join" & "Join after June" to cater for new members joining after June in any year.
- The process workflow is "Join us -> Pay -> Registration & Personal details -> Sanction by the Secretary -> Welcome by the Secretary".
- Existing Members – There are 3 categories
 - Honorary
 - Joined after June in any Year – they pay an initial subscription which will validate membership to the end of the following year
 - Members – will pay their subscriptions when they join if before June and/or from 1st January each year
- Events
 - This area works like this
 - There is an area where members can browse all the events EPiC have posted
 - Closer to each event members will receive an email invite to attend via the website.
 - Members then visit the events area select and book
 - Tees times are generally allocated on a first come first served basis
 - Members will usually be able to select up to 3 guests to add "Title Company and Handicap"
 - Pay for the event in advance
 - All including the guests get notified that they are booked in!!

For the future

- I also hope members will be able to go into their bookings and amend details such as participants, handicaps etc, but that is not possible at present.
- I hope to introduce a fully interactive networking area for members to find construction partners and discuss projects amongst themselves

Neil Meixner – Dec 2025
